EDITOR'S CORNER

Hi Everyone,

Well the year is coming to an end and I hope that you all had some great riding this year and many tales to tell. To say the least the weather has been a questionable thing all year long for riding. We will have enjoyed the Turkey Run by the time you get this and I hope we had a good turn out. It is so hard to figure out why riders do not attend the events when we work so hard on getting them ready and putting them on.

The annual calendar of events should be ready for the January issue and we do have less rides from the SCMA due to the fact volunteers are hard to come by. I believe we still have our traditional ones, Soup Run, Sweetheart Ride, Dog Days of Summer, Blazing Saddles, Grand Tour, Cemetary Ride and Turkey Run. The rest of the calendar will be filled by our charter clubs. Travelers is still alive and well. We have a new event, a Mission Run, which is part of the California Adventure series. The California Parts is the other half of the tandum. You can chose to do both or one of them, they both qualify for the Triple Crown award.

Speaking of the Triple Crown, the banquet has been set for February 19, 2011 at the Radison Hotel in Ontario, California of course. See flyer in next months newsletter or on the website. I'll be there, will you?

I have volunteered to Chair the Sweetheart Ride and Turkey Run in 2011. I also plan on helping with the family picnic and ride which will be Dog Days of Summer. We are hoping you will bring your family out to enjoy a good day of fun and laughter. There will be a ride available along with good eats and lots of fun. Bring the kids, the grandkids, everyone is welcomed. We use to do this every year but somehow it went by the wayside. Please give us a reason to continue doing it again by supporting our effort on letting the membership know we appreciate them.

I would like to thank everyone who has helped the SCMA this year. Change is not always easy to accept but change is necessary to continue to grow and exist. Three Flags is facing some very strong challenges because of the problems in Mexico and as always the safety of our members comes first. I know that each and everyone of the participats of the Classic understand this and support the decisions made by the 2011 committee.

I wish each and everyone of you a Merry Christmas and Happy New Year. Keep the rubber side down, the sunny side up.

Jan Staws**

FOUR CORNERS RIDE 2010

Cross-country rides let motorcyclist find himself

By Lee Cataluna

www.staradvertiser.com

Danny Graham is washing his clothes in a motel room sink in Canada, talking fondly about the huge bugs on the windshield and the smell of roadkill in the evening air. He pauses, chuckles a little and says, "Just don't call me crazy, OK?"

What's crazy about a guy riding a motorcycle 400, sometimes 600 miles a day all summer long? It's an American dream.

On Friday, Graham, 67, CEO of well-known Hawaii company Graham Builders, sets out on the second phase of his quest to complete the "Triple Crown" of motorcycle rides, which will take him across the continental United States from the Mexican border to Canada and from California to Maine. He's on the bike 8-12 hours a day, traveling with plans but no reservations. "Nothing like having to ride 100 miles more to find a hotel room after thinking you were finished for the day," Graham says.

It started in 1999, when Graham bought a Harley. "You know, trying to find yourself, second childhood, all that," he jokes. After going around Oahu more times than he could count, Graham started looking for bigger challenges.

He hooked up with the Southern California Motorcycle Association (www.sc-ma.com) which sponsors rides across the country. He found he loved the open road, the time to think, the intensity of the experience that you just don't get traveling in a car.

"The rain, the bugs, the cold, the heat. You ride through temperatures from 40 degrees to 188 degrees."

In May, Graham did the first phase of the Triple Crown, a ride called "Four Corners" that starts in San Ysidro, Calif., near the Mexican border, goes diagonally across the continent to Maine, south to Key West, Fla., and then back up and across to Washington state. Graham covered 12,000 miles in 19 days on his BMW.

On Friday, he started out in Regina, Canada, to ride a 3,000-mile course through Arizona to the Mexican border. He's done trips alone before, but this time he's riding with five buddies from Hawaii.

Then, later this week, Graham will attempt the Parks Adventure ride, covering 8,000 miles to visit 24 monuments in California state parks.

It's not a race, it's all about getting there. "There's no excuses if you break down or get sick or get lost. You either finish or you don't."

On previous trips, he collected souvenir magnets wherever he traveled. "But after you reach about 200 magnets, you think, 'What am I going to do with all these magnets?'" Graham says. Since then, he's taken some pictures on the trips, but mostly just brings home memories.

It's not like he's doing this for a prize. "In the end, all you get is a plaque. No money. But you have the personal satisfaction of saying, 'Yeah, I've done it.'"

THREE FLAGS CLASSIC

Greetings to all fellow Three Flags Classic riders.

Your 2011 Three Flags Classic committee has been working to make your 2011 ride most memorable.

This year we are incorporating an Iron Butt Association, "Border to Border" Run, along with our traditional "Three Flags Classic."

This gives all riders more options. One can enter the IBA, "Border to Border," in addition to the "Three Flags Classic" or one can chose to enter only the Three Flags Classic. Of course this brings about some necessary changes to the registration process, many of which are required by "Home Land Security."

We will now have a registration form that must be completed by all entrants. No exceptions, and all areas of the form must be completed. Those that are received with incomplete information will be returned. The SCMA RESERVES THE RIGHT TO REFUSE SERVICE TO ANYONE.

All entrants will go through the drawing process in January, including those who chose to do the IBA Border to Border, except those that are exempt from the drawing.

A decision to NOT enter Mexico for the SCMA Three Flags riders has been made. At present those choosing to do the IBA, "Border to Border," crossing into Mexico is required."

All riders will be registering at a Chula Vista/San Ysidro area hotel and turning in their start cards at a turnaround area next to the Mexican border, on the US side. Those wishing or needing to enter Mexico can do so, easily from the turnaround. The turnaround is not on Interstate 5, but on surface streets in San Ysidro. Maps from the registration hotel to the turnaround will be provided for all riders. The easy access to Mexico from the turnaround will also be provided.

That's it for now, we'll keep you posted. The 2011 Committee hopes that you have a great Thanksgiving & Christmas Season.

GOOD STUFF

Submitted by Bob Masuzumi

We heard some of these before.

Steven Wright, a stand-up comic said, "I woke up one morning, and all of my stuff had been stolen and replaced by exact duplicates." His mind sees things differently than most of us do. Here are some of his gems:

- 1 - I'd kill for a Nobel Peace Prize.
- 2 - Borrow money from pessimists — they don't expect it back.
- 3 - Half the people you know are below average.
- 4 - 99% of lawyers give the rest a bad name.
- 5 - 82.7% of all statistics are made up on the spot.
- 6 - A conscience is what hurts when all your other parts feel so good.
- 7 - A clear conscience is usually the sign of a bad memory.
- 8 - If you want the rainbow, you've got to put up with the rain.
- 9 - All those who believe in psycho kinesis, raise my hand.
- 10 - The early bird may get the worm, but the second mouse gets the cheese.
- 11 - I almost had a psychic girlfriend ... but she left me before we met.
- 12 - OK, so what's the speed of dark?
- 13 - How do you tell when you're out of invisible ink?
- 14 - If everything seems to be going well, you have obviously overlooked something.
- 15 - Depression is merely anger without enthusiasm.
- 16 - When everything is coming your way, you're in the wrong lane.
- 17 - Ambition is a poor excuse for not having enough sense to be lazy.
- 18 - Hard work pays off in the future; laziness pays off now.
- 19 - I intend to live forever ... so far, so good.
- 20 - If Barbie is so popular, why do you have to buy her friends?
- 21 - Eagles may soar, but weasels don't get sucked into jet engines.
- 22 - What happens if you get scared half to death twice?
- 23 - My mechanic told me, "I couldn't repair your brakes, so I made your horn louder."
- 24 - Why do psychics have to ask you for your name?
- 25 - If at first you don't succeed, destroy all evidence that you tried.
- 26 - A conclusion is the place where you got tired of thinking.
- 27 - Experience is something you don't get until just after you need it.
- 28 - The hardness of the butter is proportional to the softness of the bread.
- 29 - To steal ideas from one person is plagiarism; to steal from many is research.
- 30 - The problem with the gene pool is that there is no lifeguard.
- 31 - The sooner you fall behind, the more time you'll have to catch up.
- 32 - The colder the x-ray table, the more of your body is required to be on it.
- 33 - Everyone has a photographic memory; some just don't have film.
- 34 - If your car could travel at the speed of light, would your headlights work?

36TH ANNUAL - 2011

Three Flags Classic to PENTICTON, B.C., CANADA

Presented by
Southern California Motorcycling Association

A SPECIAL FEATURE FOR 2011

The SCMA Board of Directors have agreed in principle to overlaying our conventional Three Flags Classic route and check points with an Iron Butt Border-to-Border ride. The working concept is that the TFC start, check points and finish would operate as normal but would also double as check points for the Iron Butt event running in parallel to ours. Arrangements for the two rides including number of riders, ticket drawing protocols, starting and ending hotels, banquet arrangements and other details will be worked out between now and the fall of 2010.

IS ANYONE INTERESTED IN THREE FLAGS THIS YEAR?

The committee was formed and was successful in making some major decisions rapidly. As most people know we are starting at the Mexican Border. However, those riders that are also doing the IBA "Border to Border" aspect of the event will have to cross the border into Mexico. The IBA aspect will also have a time limitation. This Border to Border event is a special one time event.

Three Flags will finish at a resort hotel in Penticton, B.C.

The check points have been selected and details should be finalized soon. I must say the route selected is going to be very good.

I call every ones attention to the sc-ma.com web page, as well as the [Three Flags Classic.org](http://ThreeFlagsClassic.org). These pages have up to date information. The committee is very good at getting the information posted as soon as possible.

I recommend that you check these sites on a regular bases. You can even join the Forum and discuss various items.

The drawing for the tickets will be January 29, 2011.

If you have any questions don't hesitate to contact a committee person.

Joe Mandeville
Chairman

Monday morning, left Kalaspell Montana 8 a.m, 43 degrees, sunny. Man are we ready for something with no rain. Forty minutes later, fog, the preliminary for a wet day again but with a twist. It didn't rain. Enjoy the pics, we did ride 350 for the day, 10 hours, the camera won't do justice for what we really rode thru, wound up thru Calgary, (crazy traffic) crazy intense city, to tough to relax, hammered the throttle heading east just to get out of a dangerous feeling (biker intuition) and were glad we did.

Couple hours later, a hundred miles east we landed into a little burg called Wheatland. Nice bar, calm, nice people, great pizza, fantastic 50v dollar room and a good night sleep. Really got lucky with the weather. 39 degrees and clear when we left this morning, but that's for the next blog.

Big country up here, the farms are huge. Pickup trucks are on steroids and so are the women. LOL. I played with my new helmet cam, its ok. I will send those pics to anyone that emails me back and ask for them. There are about 80 pics. Kinda cool. Easy for me to send.

What a great trip so far. Equipment still working great, including Gregg's harley. LOL... Randy
