EDITOR'S CORNER

Well it is the end of 2010 or almost. Once again I have a miserable cold to deal with, seems like every December I have this problem. Oh well it could be worse.

The new calendar for 2011 will be out soon, not sure it will get into this issue. Remember the Soup Run on January 9th. Flyer in this newsletter. Doing something new, still need to bring your two cans of soup but we are going to have "Cincinnati Chili". I have no idea of what this is but I am sure our Vice-Chairman Huey Ward would not offer something the members would not enjoy. Hope to see a lot of you there.

We have the Sweetheart Ride on February 13th. It will start at Santa Clarita Motorsports who have very generously offered to sponsor the event and will provide lunch at the end of the ride. If you remember I was trying to ask the membership about doing a brunch but received little or no response for it. I thought it would be nice if the guys or girls for that matter could bring their other halves and enjoy a real nice meal, treat them to a special Valentine's Day. I am sure those of you who attend the ride will enjoy the lunch Santa Clarita Motorsport will provide. Check for the flyer in next months issue for all the details. I hope we have a good turn out.

Of course in between the Soup Run and the Sweetheart Ride we have 2011 Three Flags drawing, being held at Fullerton Harley Davidson, a big thanks to them for the support they have given the SCMA and Three Flags the last several years.

Also please check our web site for updated information on the CPA & Mission Tour events. I will be removing the application for the CPA event next month, at least until I receive updated information as to where to send it and if any changes have been made to the event. Mitch Friedman is no longer chairing the CPA, Logan Olds is the new chairman for that and the new Mission Tour. Check your newsletter for his address and e mail information.

I would like to thank all of the volunteers who have helped to make this another successful year for the SCMA. Without your participation and support we would be in a world of hurt.

Have a Merry Christmas, a healthy and happy New Years.

Keep the sunny side up and the rubber side down.

**Your Editor,
Jan Staws**

Start time 8-10 a.m.

Mollie's Kountry Kitchen

21851 Hwy 18

Apple Valley, CA 92307

This year's soup run will have a bit of a twist...instead of soup we are going to have... Cincinnati Chili. Your choice of a 3 Way, 4 Way or a 5 Way. I hear you say that you don't know what that is....well come on out, enjoy a pleasant ride and then indulge in your choice of Cincinnati's favorite! I guarantee you will love it!

SCMA Members ride *FREE*
\$10 for non-members

All riders must bring 2 cans of soup for entry

(Please do not bring outdated cans. Both cans of soup, along with proceeds, will be donated charity this year)

Cincinnati Chili is being served this year, cooked by our own Vice-Chairman Huey Ward at the finish from 11 a.m. to 3 p.m. Ride closes at 3 p.m.

WHAT MAKES 100%?

What does it mean to give MORE than 100%? Ever wonder about those people who say they are giving more than 100%? We have all been to those meetings where someone wants you to give over 100%. How about achieving 103%? What makes up 100% in life? Here's a little mathematical formula that might help you answer these questions:

If: **A B C D E F G H I J K L M N O P Q R S T U V W X Y Z**

Is represented as:

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26

Then:

H-A-R-D-W-O-R-K

$8+1+18+4+23+15+18+11 = 98\%$

And

K-N-O-W-L-E-D-G-E

$11+14+15+23+12+5+4+7+5 = 96\%$

But,

A-T-T-I-T-U-D-E

$1+20+20+9+20+21+4+5 = 100\%$

And,

B-U-L-L-S-H-I-T

$2+21+12+12+19+8+9+20 = 103\%$

AND, look how far ass kissing will take you.

A-S-S-K-I-S-S-I-N-G

$1+19+19+11+9+19+19+9+14+7 = 118\%$

So, one can conclude with mathematical certainty, that while Hard work and Knowledge will get you close, and Attitude will get you there, it's the Bullshit and Ass kissing that will put you over the top.

MIRROR OR 2-WAY GLASS

2-Way Glass

COATED SIDE - no gap between finger and reflection

A Mirror

UNCOATED SIDE - gap between finger and reflection

How can you tell when you are in a room, restroom, motel etc. with a mirror or a 2-way glass?

Here's how: I thought it was quite interesting! And I know in about 30 seconds you're going to do what I did and find the nearest mirror.

Do you know how to determine if a mirror is 2-way or not? A policewoman who travels all over the US and gives seminars and techniques for businesswomen passed this on.

When we visit toilets, bathrooms, hotel rooms changing rooms, etc., how many of you know for sure that the seemingly ordinary mirror hanging on the wall is a real mirror, or actually a 2-way mirror (i.e., they can see you, but you can't see them)? There have been many cases of people installing 2-way mirrors in female changing rooms. It is very difficult to positively identify the surface by looking at it.

So, how do we determine with any amount of certainty what type of mirror we are looking at?

Just conduct this simple test: Place the tip of your fingernail against the reflective surface and if there is a GAP between your fingernail and the image of the nail, then it is GENUINE mirror. However, if your fingernail DIRECTLY TOUCHES the image of your nail, then BEWARE! IT IS A 2-WAY MIRROR!

"No Space, Leave the Place" So remember, every time you see a mirror, do the "fingernail test." It doesn't cost you anything.

REMEMBER. No Space, Leave the Place:

Ladies: Share this with your girlfriends, sisters, daughters, etc.

Men: Share this with your wives, daughters, daughters-in-law, mothers, girlfriends and/or friends.

36TH ANNUAL - 2011

Three Flags Classic to PENTICTON, B.C., CANADA

Presented by
Southern California Motorcycling Association

A SPECIAL FEATURE FOR 2011

The SCMA Board of Directors have agreed in principle to overlaying our conventional Three Flags Classic route and check points with an Iron Butt Border-to-Border ride. The working concept is that the TFC start, check points and finish would operate as normal but would also double as check points for the Iron Butt event running in parallel to ours.

Arrangements for the two rides including number of riders, ticket drawing protocols, starting and ending hotels, banquet arrangements and other details will be worked out between now and the fall of 2010.

A GUY FAIRY TALE

Once upon a time, a Prince asked a beautiful Princess,

Will you marry me?

The Princess said NO!

And the Prince lived happily ever after and rode motorcycles and went fishing and hunting and played golf and dated women half his age and drank beer and scotch and had tons of money in the bank and left the toilet seat up.
