A WORD FROM THE CHAIRMAN

The board and this office have been quite active during the last few months. Here are a few highlights.

New Storage Unit

First of all, we have moved the storage unit from Harbor City to Buena Park and are now located at 7111 McNeil, just east of Orangethorpe and backing the 91 Freeway. The new location is far more convenient for the majority of the board. We've dropped the monthly rent 18% from \$92 per month to \$75 per month and doubled the size of the unit from 50 square feet to 100 square feet. Most importantly, we've added some new storage shelves that we can use for some new merchandising opportunities.

On Line Store/On Line Merchandise/Resale License

We now have an online store. David Johnson activated it earlier this year. We sold Triple Crown Banquet Tickets initially and will eventually have all of riding events available through on line purchases. And, we'll begin to merchandise general SCMA paraphernalia as well as replacement pins, patches and decals from past Three Flags and other SCMA riding events.

While we aren't formally polling the membership for ideas on what to merchandise, if you have any red hot ideas, then contact one of our board members with the idea.

David Johnson is also working on the resale license for SCMA which is necessary for us to sell retail stuff like we have in mind.

Revitalize District 37 Road Riders?

On March 7, Huey Ward and I attended an exploratory committee meeting to consider re-activating the AMA District 37 Road Riders. We met with representatives of the District 37 Dual Sports Board, PMC board members, ABATE's Riverside Local, and a few other folks to discuss the advisability and practicality of getting the District 37 RR's back and functioning.

I drafted an issue paper that is being circulated to the attendees for comment. SCMA, under my leadership, has been attempting to coordinate calendars and encourage cross-promotion of our affiliated clubs events with an eye toward increasing ridership and membership. These are the principal advantages of regional cooperation. The question that has been imposed by this exploratory meeting is whether an AMA-led initiative would be more effective in promoting road riding in southern California.

The question will remain open for several months. The next meeting of the exploratory committee is set for Monday, May 9th beginning at 6 PM at the Coco's in Arcadia where Michelinda crosses Colorado Blvd and the 210 Freeway. Interested? Then come on by. We'll eat dinner and start the business portion of the meeting at 7 PM.

California Mission Tour

If you haven't noticed, we now are offering the California Mission Tour as well as the California Parks Adventure. Take a look at the newsletter for information. The tour is up and running and, like the California Parks Adventure, has a passport that is designed to record your visits to the 21 Spanish Missions that were constructed from 1769 to 1823 and stretch from San Diego to Sonoma. The missions are beautifully restored. Visiting the 21—and I mean taking time to experience them—will give you a deeper understanding and appreciation for the Spanish and Mexican legacy that influences everything we call "California".

We have Logan and Cheryl Olds to thank for creating this terrific new event. Registration is \$50.

To Piggy-back or not to Piggy-back: That is the Question.

Intrigued with that headline? Well, we're talking about a fairly mundane issue. Should SCMA allow its affiliated clubs to piggy-back on our annual liability insurance policy or not?

Now that SCMA is in its second year of using self-procured insurance, with considerable savings over the rates we received when insured through AMA, should we offer our affiliated clubs to insure through us so that they, too, can save money? It turns out that they can save about \$60 per event if they insure through us. The trouble is, and here's the rub, SCMA would remain the primary insured and our affiliated clubs would simply be named "additionally insureds".

So what's wrong with that? Well, it turns out that SCMA, as the primary insured, would have the primary responsibility for working with the insurance company and the plaintiff if ever there was a significant claim arising from a mishap. The SCMA Board of Directors considered that amount of risk and the hassle to be more than we want to bear and, for this reason, will not be offering this option to our affiliated clubs in the future.

There is one exception. During the middle of our research and before making this final decision, Antelope Valley Riders approached us with a request to insure under us. We preliminarily said yes. Based on that, and wanting to stand by our word, AVR's April 2 Bags for Kids Ride will be insured through us.

But other than this exception, that's it for insurance piggy-backing unless there becomes a way for the clubs to be insured outright and not as an "additionally-insured".

EDITOR'S CORNER

Good morning all,

It is raining again on a Sunday morning of course. There are no runs scheduled for SCMA today (thank goodness) so hopefully any other organization that had rides planned will be able to reschedule successfully. I have found when you have to use a "rain date" you do not always get the turn out you may have on the original date. But Mother Nature is having her way and you can't fight Mother Nature.

I have been informed by Blake Anderson that the E Board has decided to cancel the Dog Days of Summer event (picnic) because they could not get a volunteer to lay out a ride. Sorry folks, I was really looking forward getting together with so many of you, kick back and enjoy your company. Maybe down the year they might revisit doing a picnic only. Have to wait and see.

2011 Three Flags Classic is shaping up to look like a very nice ride. We have a very experienced committee along with a few "newbies" who are looking forward to contributing their knowledge and expertise, helping to make the event as good as always.

I heard from a PMC member that their poker run had 104 riders. Congratulations on such a good turn out. I am sure everyone who went enjoyed themselves, at least I hope so.

I have no idea of the turn out for the Shamrock ride yet but I hope that they had a decent turnout. I think the weather was good for a two day event.

I have decided to "throw" my hat in the ring for 2012 Three Flags Chairman. I already have a committee formed, several hotels lined up, routes for those hotels, only thing left will be to make the final decisions of where and what, should I be lucky enough to be selected to chair the event.

Rich Vencil is "throwing" his hat in the ring also. We have talked over the situation since we are close friends and had decided to support each other by serving on the committee no matter who is chosen to chair it. A lot of my current volunteers will also serve Three Flags no matter who is chosen chairman. That is a good thing for the event and SCMA as a whole. Both of us bring vast experience to the event and both of us want to make it an enjoyable event for the riders.

Of course there may be others who volunteer also, just have to wait and see. The guideline to volunteer are in this newsletter, don't know what page, but be sure to look for them if you are interested in volunteering.

Editorial Submissions

Please adhere to the following guidelines when submitting editorial content for the SCMA Newsletter:

Articles/Text — Submit as a Word Document after making necessary changes using Spell Check.

Photos/Artwork — Submit as jpeg files. Images will be printed at 300 dpi.

Flyers — Submit in PDF format. Make sure all fonts and images are collected and not corrupt. Images should be flattened.

I hope that all of you have marked off April 2nd for Antelope Valley Riders "Bags for Kids" run. They have been supporting "Bags for Kids" event for 3 years now and hope that the turnout will be bigger and better this year. Check their flyer in this newsletter for more information. The club came out strong for the Sweetheart Ride and I would like to see the SCMA come out strong for their event.

May will bring the PMC Greenhorn Ride, the 14th & 15th. Then comes Blazing Saddles, May 28th - 30th. See flyer in newsletter for more information. June brings a ride we are promoting because we feel it to be a good cause, Lupus Awareness Charity Ride, check our website for more information, it is on June 5th. The Dog Days of Summer has been canceled as stated earlier but we still have the Wacky Wabbit ride to look forward to.

Well that is just about it for now, keep the rubber side down, the sunny side up.

15 BEST ROADS IN 2011

SCMA Chairman Blake Anderson Declares a Challenge: The 15 Best Roads in 2011

SCMA knows about top motorcycling roads and so does AMA. Today, I opened the latest edition of American Motorcyclist and found a very interesting article: "The 15 Best Roads in America, Chosen by You". The AMA has released its pick of the 15 best motorcycling roads, based on a poll of its riders. California has the distinction of having four of its roads in the top 15: CA 58, Angeles Crest Highway, CA 36, and CA 1. We know these roads quite well. In fact, SCMA is quite familiar with most of AMA's top 15 and will, quite coincidentally, be using two of them in this year's Three Flags Classic: OR 3/WA129 and Lolo Pass. Past Three Flags Classics have used all of the Western States roads listed in the top 15. Its only the Midwest and Eastern roads that are outside our grasp.

Well, almost.

All of this gave me an idea for some fun—and a challenge. I know this is a little late, but remember that the AMA article just came out. For those of you completing the USA Four Corners or just wanting to see the west and east coasts in one year, here's your chance to sweep the board by riding all 15 roads during 2011. Let's call this the Chairman's Best Roads Challenge. Take them all on. Prove to me by photos and sales receipts that you've been on all 15 during 2011 and I'll pin a medal on ya'. Well, maybe not a medal, but how about a nifty pin?

Send photos of you and your bike in front of recognizable landmarks for each of AMA's top 15 roads, include a good description of where each photo was taken, and a 2011 time-dated receipt for each of the 15 from a reasonable on-the-route location to: Blake Anderson, SCMA Chairman, PO Box 487, Norwalk, CA 90651. Send me your name, address, phone and email address as well. Get all of this to me by December 15, 2011, and I'll send you a commemorative pin in return. Or, for those of you that intend to show up at the annual SCMA awards banquet in February 2012, I'll hand the pin to you there.

The April 2011 edition of American Motorcyclist, page 30, lists the 15. Here, for your convenience, is AMA's list:

15. Washington Route 129 and Oregon Route 3, Clarkston, Wash., to Enterprise, Ore.
14. Ohio Route 170, Calcutta to Poland.
13. California Route 58, McKittrick to Santa Margarita.
12. U.S. Route 33, Harrisonburg, Va., to Seneca Rocks, W.Va.
11. Natchez Trace, from Natchez, Miss., to Nashville, Tenn.
10. Angeles Crest Highway, California Route 2.
9. U.S. Route 12, Lolo Pass, Idaho and Montana.
8. California Route 36.
7. Cherohala Skyway, North Carolina and Tennessee.
6. Going to the Sun Road, Glacier National Park, Montana.
5. California Route 1, Pacific Coast Highway.
4. U.S. Route 550, from Ouray to Durango, Colo.
3. U.S. Route 129 — The Tail of the Dragon — on the North Carolina-Tennessee border.
2. Blue Ridge Parkway, North Carolina.
1. Beartooth Highway, Montana and Wyoming.

Are you up to the challenge? There's always time for one more road.

- Referee and Risk Manager Report: Blake Anderson reported that Jones Brown, our insurance broker, will allow our affiliated clubs to "piggy back" on SCMA's policy and save about \$60 for a one-day event like a poker run. However, the affiliated would be designated as "additional insured" and SCMA would be designated the "primary insured." This imposes some level of risk on SCMA for an event SCMA itself doesn't control or manage. SCMA would be in the lead position should a claim and related litigation occur. Antelope Valley Riders has already contacted Jones Brown and signed up for insurance for its April 2 ride. Blake had invited AVR to contact Jones Brown and discuss how insurance could be

provided. The SCMA board agreed to allow that specific arrangement to go forward, but asked Joe to contact Jones Brown to discuss the implications of this practice and report back to the board with a recommendation on how to proceed. More research is required before the board can move to accept this item. The Risk Manager requested all board members to stop interacting with the broker on this matter.

SCMA USA Four Corners – David J. promoting group rides of the event and will work with Madawaska, ME recently announced plan to escort groups of riders into town with lights and sirens to celebrate the north

A souvenir flag for USA Four Corners is being developed for sale on the website. Participant entries for this year are up to 135, with 200 expected.

TFC 2011 - Joe Mandeville reported the drawing went well at Fullerton Harley-Davidson in January, although it is was the smallest number of entrants that SCMA has experienced. The committee is working out details for the start, finish, route and check points.

Travelers Award - Dannie Fox sent in the report of 12 entries this year. The awards for last year are ready to be presented at the Triple Crown Banquet later this month.

Parks Adventure - Logan Olds not present. Updated the website info.

Triple Crown Banquet - February 19 - Kenn & Phyllis Hatke report all is ready with 46 guests signed up.

Old Business

SCMA - A resale license application has been obtained by David Johnson, the form was signed by our officers during the meeting and will be submitted to the board of equalization.

USA 4 Corners-- David has placed a small ad in the AMA motorcycle magazine for the next 3 months to encourage ridership.

SCMA Board announced the policy to require monthly treasurer's reports from SCMA, Four Corners, Three Flags Classic and California Adventures accounts. The Board also made a decision to continue to pay insurance costs from SCMA general account.

SCMA Insurance - Joe Mandeville will review, with the broker, the risk the SCMA will be exposed to in the event our affiliated clubs piggy back on our insurance policy with Jones Brown.

SCMA 2011 ELECTION OF OFFICERS

Have you ever considered a leadership position on the SCMA Board of Directors? If so, here's your chance. For everyone else, here are the procedures will follow between now and June 11. During that time we will be holding elections for Chair, Referee and Recording Secretary. Here is what to expect.

The SCMA Board of Directors consists of six elected officers, each serving two-year terms. Three are elected in odd-numbered years (the Chair, Referee and Recording Secretary) and three are elected in even-numbered years (the Vice Chair, Treasurer and Correspondence Secretary). All of this is in accordance with the corporation's bylaws. You can find our bylaws on the front page of the SCMA website www.SC-MA.com. Scroll down to "Our Fine Print and Forms" to find the bylaws. It is also our practice for the Referee to serve as risk manager and insurance manager and for the Correspondence Secretary to serve as membership manager.

Nominations: April 9 through May 7

Nomination of officers will be opened at SCMA's April General Membership Meeting scheduled for 9 AM on April 9 at the Angeles National Golf Club Restaurant located at 9401 Foothill Blvd., Sunland, CA. Nominations will be closed at SCMA's General Membership Meeting scheduled for 9AM on May 7 at the same location.

Any current member of SCMA may run for office. Any member may present himself or herself as a candidate for any one office, provided three other members second the nomination.

Candidate Statements

All candidates are encouraged to provide a written statement of qualifications to the SCMA Correspondence Secretary, Sally Bishop. All statements received by May 7 will be included as an insert in the printed May newsletter. All statements will be posted on the SCMA website as they are received beginning after May 7.

Election: May 7 through June 10

Upon the close of nominations on May 7 the election process will begin.

Only written paper ballots will be used. Ballots will be available two ways. Printed ballots will be mailed as an insert in the May newsletter only to those members currently subscribing to the mailed version of the newsletter. Ballots will also be made available for download and printing on the SCMA website, appearing in the electronic version of the May newsletter. There will be an announcement on the front page of the website announcing that the election is in progress.

Only current members of SCMA may vote. Only one ballot per current member will be accepted.

A single completed ballot MUST be mailed in an envelope with the member's name and address clearly printed in the upper left hand corner of the envelope. This information will be used to verify that the ballot has come from a current SCMA member. Unverified ballots will not be counted.

Only one ballot per envelope will be accepted and counted. If more than one ballot is sent in an envelope, all ballots in the envelope will be considered invalid and not counted.

All ballots must be mailed to SCMA's regular post office box:
Southern California Motorcycling Association
PO Box 487
Norwalk, CA 90651-0487

All ballots must be received by 4 PM on Friday, June 10. Late ballots will not be counted.

All ballots will remain unopened and delivered to SCMA's June 11 General Membership meeting by the Correspondence Secretary, Sally Bishop.

Procedure for Counting Ballots on June 11

The ballots will be publicly opened and counted at SCMA's General Membership meeting on June 11 after 9 AM. Only ballots that have been received at SCMA's post office will be counted. Walk-ups will not be allowed.

The Correspondence Secretary with the help of an SCMA board officer not running for office will count the ballots. Each envelope will be checked to verify that the return address is for a current member. Verified envelopes will be opened and the ballot separated from the envelope to maintain secrecy. Envelopes that cannot be adequately verified as coming from a current member will not be opened and will not be counted.

The Correspondence Secretary will count the ballots and publicly announce the results. All uncounted ballots will be publicly destroyed by the Correspondence Secretary on June 9

Effective Date of the Election

The results of the election will be effective at 12:01 AM on Sunday, June 12, 2011.

MAJOR EVENTS DEFINED

Here is the draft of new language for "Our major events"

USA Four Corners Tour

Imagine visiting the four outer corners of our beautiful country. Imagine the adventure, personal sense of accomplishment and outright break-out-in-a-broad-smile satisfaction of visiting San Ysidro, CA; Blaine, WA; Madawaska, ME; and Key West, FL in 21 days or less. The USA Four Corners Tour is a self-guided tour visiting these four locations in the order you select and at the time of the year that's best for you. Please visit www.USA4Corners.org for complete information about this World Class event. It is also one of the three qualifying events for SCMA Triple Crown Award. This is our 28th year offering this event.

Three Flags Classic

The 36th annual Three Flags Classic will start in San Ysidro on September 2 and end in Penticton, BC, Canada on September 5. Covering 2100 miles and involving 200 riders, this year's route will include California's Sonora Desert, Scotty's Castle, western Nevada, the Sierra Nevada, Mt Shasta, Bend Oregon, the famed Lolo Pass, and some of the best roads in Montana and British Columbia. This year it is also an Iron Butt Border-to-Border Ride. Please visit www.3FlagsClassic.org for much more on this year's event. This is also one of the three qualifying events for SCMA's Triple Crown Award. This is SCMA's Big Daddy of events and is probably for what we are best known.

California Parks Adventure

There are 24 federal parks and monuments in California. They range from well-known Yosemite National Park to the lesser-known Rosie the Riveter National Monument in Richmond. They are as far as south as the Cabrillo Lighthouse National Monument in San Diego and as far north as the Redwoods National Park near Crescent City. They are some of the oldest and some of the newest facilities operated by the National Park Service. They are part of what is called, "America's Best Idea". There is reason to say that. You have an opportunity to witness it.

During any single calendar year and in any order and at any pace, visit all of the 24 National Parks and Monuments in California. Join the fun by purchasing a full color, well-illustrated passport book from SCMA that lists all locations. Get a park stamp and a photo of yourself at each location. Return the completed passport to SCMA and get it back along with a pin and a plaque.

Triple Crown Award

Imagine completing the USA Four Corners Tour, the Three Flags Classic and one of the California Adventure tours in a single calendar year. Well, it's something that is done by less than 10 riders per year. SCMA thinks that is worth noting in a very special way. For this reason, SCMA does mark this accomplishment in a very special way. Those riders that do all three events are given a limited-addition plaque that marks you as a very unique long-distance rider.

SCMA conducts an annual Awards and Appreciation Banquet in February to honor those long distance riders that have literally and figuratively gone the extra mile—in the case of the Triple Crown, several thousands of miles. The Triple Crown is awarded to those riders who have completed three SCMA long-distance events in a single calendar year:

- The USA Four Corners Tour
- The SCMA Three Flags Classic

Any one SCMA California Adventure Tour (In 2011, either the California Parks Adventure or the California Mission Tour)

SCMA volunteers audit the end-of-year results and will notify you if you have qualified. A Triple Crown plaque is awarded to qualifying riders. Jan Staws is currently chair of the

Triple Crown Award committee and coordinates this award. She can be reached at jstaws@gmail.com to answer your questions.

SCMA Annual Awards and Appreciation Banquet

The Triple Crown, the three long-distance riding events and SCMA's staff of volunteers are recognized annually at SCMA's Awards and Appreciation Banquet. It's a chance to catch up with your fellow long-distance riders, honor the best of them, and take time to swap stories and plan for the upcoming riding season. It's a great event that shouldn't be missed.

It is normally held in February on a Saturday night. Details announcing the date, location and details normally begin to appear in the SCMA newsletter in the fall of each year.

Southern California Motorcycling Association Announces an Open Call for a Chairperson For the 37th Annual Three Flags Classic

It's time to begin work on the 37th Annual Three Flags Classic, running August 31 to September 3, 2012. Pre-planning will start this summer so we can announce preliminary details of the 2012 ride at the September 6th TFC banquet in Penticton, begin to negotiate arrangements with the starting and ending hotels, draft a budget and select the ticket price.

The first step is to appoint the TFC Chair in June. If you have ever considered chairing a TFC or would like to chair a TFC once again, then 2012 may be your year.

The Job

The SCMA Chair selects the TFC Chair. This appointment is one of the most critical and demanding SCMA volunteer positions. The TFC Chair appoints and manages a committee of 6 to 8 people working for 16 months. They will plan and execute an event involving approximately 250 riders traveling 2200 miles in 3 countries over 4 days. The route, checkpoints, beginning and ending hotels, banquet, memorabilia, door prizes, risk management and a \$50,000 to \$75,000 budget will be the sole responsibility of the TFC Chair and his/her committee.

The TFC Chair will:

Propose the budget and ticket price to the SCMA Board

Appoint a treasurer who manages the TFC checking account.

Propose the starting and ending cities to the SCMA Board

Appoint the other members of the committee

Direct, review or oversee all arrangements including registration, record keeping, banking, hotels, meals, route, checkpoints, check point volunteers, design of memorabilia, door prizes, route pre-rides, publicity, and monthly progress reports to the SCMA Board of Directors

Applications for the Job

Mail your application to Sally Bishop, SCMA Correspondence Secretary, PO Box 487, Norwalk, CA 90651. Please call Blake Anderson at (714) 801-3931 to discuss your candidacy and to ask questions. Applications will be accepted until Wednesday, June 15, 2011. Please include your name, contact information, the people you intend to appoint to your committee, your proposed beginning and ending cities and any other details that will help describe your vision for 2012.

Selection and Announcement of the 2012 TFC Chair

The SCMA Chair will select the TFC Chair with the advice of the SCMA Board of Directors. The selection will be announced no later than June 20, following the June 11 election of SCMA officers including Chair, Recording Secretary and Referee.

Dog Days of Summer Ride Cancelled

The SCMA Board of Directors announces that the Dog Days of Summer Rider that had been scheduled for June 12 has been cancelled. We hope that the cancellation doesn't inconvenience any of our loyal members. We decided it was best to cancel the ride 90-days in advance of the scheduled date rather than continuing the uncertainty of not having gotten a volunteer to chair the event.

Motorcycle Touring Association Update For Wacky Wabbit Wides Again!

This year MTA CA#3 is trying something a little different. Our National Association of Motorcycle Touring Association headquartered in Virginia is having its annual gathering in Cedar City, UT June 20 - 24 and we want to combine our annual one day Wacky Wabbit Wides Again charity ride with this great event in Utah. So we will use Sunday, June 19 and start in the La Canada/Flintridge area and end on the High Desert near Hesperia. (details to follow) That way we want to encourage as many of you as possible to join us in Cedar City on Monday through Friday. It will only be 350 miles to Cedar City.

This will be the first time our National Association has had its rally so close to Southern California and we want to do everything we can to encourage participation. We're a generic club and everyone is welcome!

For those who are not familiar with the Cedar City area, it was especially created for motorcycling! There are so many scenic roads with panoramic vistas. At 5800 feet elevation the temperatures in June will be mild with snow-capped mountains close by. Conducted tours will go to Cedar Breaks, Brian Head, Bryce Canyon and Mountain Meadow Massacre Site Memorial. We will have bike games, bike show and Light show.

Discounted room rates at the Crystal Inn at only \$65 per night which includes breakfast! KOA is the hosting campground.

Details are at the MTA Website: mtariders.com. Mark your calendar now! For questions call Steve Morris at 310-325-6388

LITTLE LARRY

A new teacher was trying to make use of her psychology courses. She started her class by saying, 'Everyone who thinks they're stupid, stand up!' After a few seconds, Little Larry stood up. The teacher said, 'Do you think you're stupid, Larry?' 'No, ma'am, but I hate to see you standing there all by yourself!'

Larry watched, fascinated, as his mother smoothed cold cream on her face. 'Why do you do that, mommy?' he asked. 'To make myself beautiful,' said his mother, who then began removing the cream with a tissue. 'What's the matter, asked Larry 'Giving up?'

The math teacher saw that Larry wasn't paying attention in class. She called on him and said, 'Larry! What are 2 and 4 and 28 and 44?' Larry quickly replied, 'NBC, FOX, ESPN and the Cartoon Network!'

Larry's kindergarten class was on a field trip to their local police station where they saw pictures tacked to a bulletin board of the 10 most wanted criminals. One of the youngsters pointed to a picture and asked if it really was the photo of a wanted person. 'Yes,' said the policeman. 'The detectives want very badly to capture him.' Larry asked, "Why didn't you keep him when you took his picture ? "

Little Larry attended a horse auction with his father. He watched as his father moved from horse to horse, running his hands up and down the horse's legs and rump, and chest. After a few minutes, Larry asked, 'Dad, why are you doing that?' His father replied, 'Because when I'm buying horses, I have to make sure that they are healthy and in good shape before I buy. Larry, looking worried, said, 'Dad, I think the UPS guy wants to buy Mom'

If this brightened your day, don't let it stop here. Keep spreading the cheer!

WHAT MAKES 100%?

What does it mean to give MORE than 100%? Ever wonder about those people who say they are giving more than 100%? We have all been to those meetings where someone wants you to give over 100%. How about achieving 103%? What makes up 100% in life? Here's a little mathematical formula that might help you answer these questions:

If: **A B C D E F G H I J K L M N O P Q R S T U V W X Y Z**
 Is represented as:
1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26

Then:
H-A-R-D-W-O-R-K
 $8+1+18+4+23+15+18+11 = 98\%$

And
K-N-O-W-L-E-D-G-E
 $11+14+15+23+12+5+4+7+5 = 96\%$

But,
A-T-T-I-T-U-D-E
 $1+20+20+9+20+21+4+5 = 100\%$

And,
B-U-L-L-S-H-I-T
 $2+21+12+12+19+8+9+20 = 103\%$

AND, look how far ass kissing will take you.
A-S-S-K-I-S-S-I-N-G
 $1+19+19+11+9+19+19+9+14+7 = 118\%$

So, one can conclude with mathematical certainty, that while Hard work and Knowledge will get you close, and Attitude will get you there, it's the Bullshit and Ass kissing that will put you over the top.
